In the event of a medical emergency, please call 999. If you think you need medical help right now, please call 111.

OK

If the answers provided on the Alcohol use self-survey/ Severity of Dependence Scale do not indicate that you require a referral you will be taken to a Lower Risk screen where you can access leaflets providing advice on how to deal with these substances.

If your drug use changes or you want support from Inclusion, please use this form to get in touch - www.stafftreatmentandrecovery.co.uk

Lower Risk

Based on your answers, your drug use seems to be in the lower risk category.

This means you may benefit from some information about the drug you are using.

If your drug use changes or you want support from Inclusion, please use this form to get in touch - Inclusions website.
